

Notice to all CKC Members

The Dartmouth and Halifax Kennel Clubs have joined to develop a breeder/breed contact directory to assist the general public in accessing purebred dogs in Zone 1 – Nova Scotia, Newfoundland and Labrador. CKC members in the zone are encouraged to become signatories to this list. There will be a wide distribution of the information.

If you are interested in being listed as a resource – breeder or contact – please take a copy of the application, fill out the information required and submit it to Lee Steeves, Secretary Halifax Kennel Club, 1009 Hwy 214, Belnan, NS, B2S 2R1 at your convenience. The list will be updated on a regular basis throughout 2017 and will be published on an annual basis thereafter to ensure currency.

Copies of the list will be provided to Clubs for posting at shows and trials, to Veterinarians throughout the Zone for easy access for client referral and on social media for public access.

Should you have questions, please contact Lee lee@regalridge.ca
